Date: Tuesday, June 16, 2026

A live webcast of the Goldman Sachs fireside chat can be accessed under "Events & Presentations" in the Investor Relations section of the Company's website at <https://investor.inva.com/presentations-events>. An archived replay of the webcast will be available following the fireside chat date.

About Innoviva

Innoviva is a diversified biopharmaceutical company with a core royalties portfolio, a leading critical care and infectious disease platform known as Innoviva Specialty Therapeutics ("IST"), and a portfolio of strategic investments in healthcare assets. Innoviva's royalty portfolio includes respiratory assets partnered with Glaxo Group Limited ("GSK"). Innoviva is entitled to receive royalties from GSK on sales of RELVAR[®]/BREO[®] ELLIPTA[®] and ANORO[®] ELLIPTA[®]. Innoviva's critical care and infectious disease assets under the IST platform include GIAPREZA[®] (angiotensin II) for increasing blood pressure in adults with septic or other distributive shock, XACDURO[®] (sulbactam for injection; durlobactam for injection), co-packaged for intravenous use for the treatment of adults with hospital-acquired and ventilator-associated bacterial pneumonia caused by susceptible strains of *Acinetobacter baumannii-calcoaceticus*, XERAVA[®] (eravacycline) for the treatment of complicated intra-abdominal infections in adults, ZEVTERA (ceftibiprole), an advanced-generation cephalosporin antibiotic licensed from Basilea Pharmaceutica International Ltd, Allschwil, and NUZOLVENCE[®] (zoliflodacin), approved by the FDA for the oral treatment of uncomplicated urogenital gonorrhea in adults and pediatric patients 12 years of age and older weighing at least 35 kg. For more information about Innoviva, go to www.inva.com. For information about Innoviva Specialty Therapeutics, go to www.innovivaspecialtytherapeutics.com.

ANORO[®], RELVAR[®] and BREO[®] are trademarks of the GSK group of companies. ZEVTERA is a trademark of Basilea Pharmaceutica Ltd, Allschwil.
